- Au¹⁹⁹ in effusions, 147, 149, 167
- Autoradiography, and carcinogenesis, 170-171
- and thyroid function, 170
- Azaserine for leukemia, 98
- 6-Azauracil for leukemia, 36
- 3,4-Benzpyrene as carcinogen, 4, 58, 63, 65, 112
- Biopsy, for nipple lesions, 17
- procedure in, 183
- types of, 183
- Bladder cancer, cytology in, 74
- irradiation in, 157
- management of, 166
- and occupation, 202
- sex ratio in, 202
- and smoking, 201
- Bone cancer in children, 99
- Breast, cystic disease of, 27
- nodularity of, 29
- precancers of, 27-31, 192
- Schimmelbusch's disease of, 27
- self-examination, film on, 123, 192
- transillumination of, 193
- Breast cancer, adrenalectomy for, 13, 173, 174
- in aged, 77
- and breast feeding, 140
- case reports, 32, 33, 173, 175
- castration in, 33
- cytology in, 154, 193
- and diabetes, 192
- diagnosis of, 20, 29, 32, 85, 114, 192
- transillumination in, 29, 193
- epidemiologic studies in, 191
- heredity and, 192
- hormone dependency in, 13
- hormone therapy in, 9, 10, 11
- combined radiation and, 11
- Breast cancer, *cont'd*
- hypophysectomy for, 10, 143
- incidence, in Bantus, 15
- and childbearing, 15
- inflammatory (erysipeloid), 13, 14
- and lactation, 9
- management of, 173, 175
- mastectomy for, plus radiation, 23, 175
- radical vs. simple, 9, 12
- plus resection of internal mammary nodes, 20-26
- metastatic, 149, 175
- axillary nodes in, 20, 23, 26
- internal mammary nodes in, 21, 24, 25
- prednisolone in, 113
- routes of, 20
- and nipple lesions, 16
- nursing exhibit on, 118
- Paget's cells in, 16
- radiotherapy for, 33, 166, 169, 173, 175
- references to, in previous issues of CA, 31
- self-examination in, 123, 192
- statistics on, 191
- surgery for, 76
- survival, in aged, 89, 94
- after mastectomy, 25, 26
- and stages, clinical, 13, 14
- treated vs. untreated, 9
- treatment of, end results in, 14, 46
- yttrium-90 for, 13, 143
- Breast disease, cytology in, 154
- Cancer. *See also* Carcinoma
- in aged, 79, 89
- and carbohydrate metabolism, 173
- in children, 97-100
- diagnosis of, 79
